

# Field Show Commitment Form

Field Show Marching Band students will learn all the necessary elements of a marching field show. Field show season is from August to mid-November. Members of the band perform music while executing drill designs. The band performs at various marching festivals such as, the Moanalua Menehune Classic, Kamehameha Tournament of Bands, Rainbow Invitational, OIA Marching Band Festival, Kapolei Marching Festival and the Mililani Trojan Bandfest. Students will earn 1/2 credit for an afterschool class during the first semester.

Mandatory field show practices include: 1) Thursday and Saturday practices (Tuesdays will be included by the end of September); and 2) a week-long band camp during the fall recess. These practices will culminate with mandatory performances at selected Castle High School football games and the various local marching band festivals.

Participating in the Field Show Marching Band takes time and dedication, but is a wonderful and fun experience giving students the opportunity to build team work, experience competitions as well as foster a lifelong love of music.
